TECHNICAL DATA

ARTEMIS

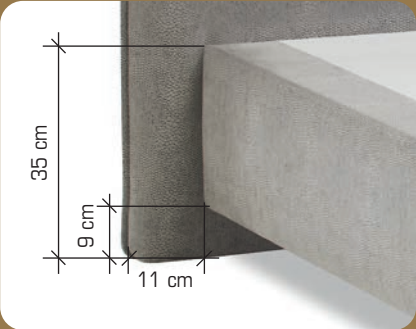

The stable base bed unit construction made of wood forms the basis for the upper bed unit. Maximum lying comfort thanks to tonnen pocket springs, surrounded by a padded construction. Gentle design of the base bed unit with an all-in-one removable cover made of the finest padding fabric. Combined with a comfortable headboard in the shape of a crown.

Features

- Lumbar support comfort thanks to gentle coordination between the base and upper bed units
- Glamorous design featuring a high-quality headboard that is ideal for leaning back against and reading.
- As of 160 cm in size, the base bed units comprise two parts, with an all-in-one removable cover.

Height of headboard: 118 cm
Depth of headboard: 10 cm
Width of headboard: the headboard protrudes by 11 cm on both the left and right hand sides
Height to the edge of the base bed unit: 35 cm
Distance between the floor and the bed stand: 9 cm

TECHNICAL DATA

ARTEMIS RELAX

The ARTEMIS RELAX bed model is an adjustable bed model of superlatives. This handcrafted masterpiece produced in the riposa workshop meets the very highest standards in terms of comfort, manufacture and padding craftsmanship, all combined in a single bed model. The real revelation of Artemis is the freshly interpreted belt technology with its belt spring base. It is adjustable to a wide range of relaxation positions at the touch of a button, to reveal the full lying and lumbar support comfort offered by Artemis.

Features

- Maximum comfort thanks to the belt spring base, which can be adjusted to a range of relaxation positions at the touch of a button.
- The traditional belt technology has been given a fresh, contemporary interpretation.
- Lumbar support comfort thanks to gentle coordination between the base and upper bed units
- Glamorous design featuring a high-quality headboard that is ideal for leaning back against and reading

Height of headboard: 118 cm

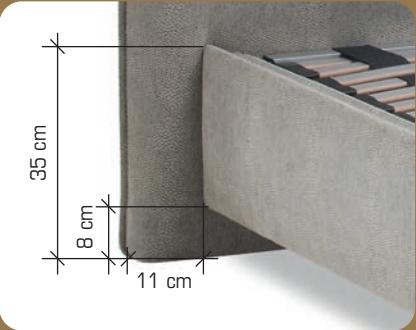

Depth of headboard: 10 cm

Width of headboard: the headboard protrudes by 11 cm on both the left and right hand sides

Height to the edge of the base
