# Double Face Topper

Let's face it: individual lying needs change. There are nights when you want to float untouched – and nights when your body needs precise support. The Double Face Topper 2 in 1 gives you the choice, night after night.

## Two in one: gel & premium foam

The Gelfoam Deluxe side of the topper has a pressure-relieving effect that makes you feel as if your body is floating untouched above the topper. The premium foam on the other side provides precise support for the body and ensures maximum freedom of movement.

## Stylish look & removable covers

The <DT-white> topper cover with its diamond quilting, high-quality linen piping and two removable, washable covers is manufactured with the utmost care in the Glarus region. This gives the topper a particularly elegant design and ensures soft lying comfort.
