SWISS SLEEP

THE POWERFUL ALL-ROUNDER.

Touchspring

Touchspring

Powerful and gentle at the same time: with its modern Poly-Spring core, the Touchspring provides energetic support for the back – whilst being gentle where softness feels right for the body.

Ergonomics

The Touchspring was developed according to the principles of Swiss Sleep Technology (SST). Thanks to its ergonomic zone structure, it contributes to an anatomically correct sleeping position and restful sleep. Every Touchspring upper bed unit is tailor-made in the riposa factory in the Glarus region.

Shoulder-level comfort

The high-quality combination of viscoelastic foam with soft pocket springs ensures soothing relief for the shoulders.

Active & selective back comfort

The Poly-Spring technology with comfort foam padding provides selective back support for noticeable relief of the lower back.

TECHNICAL DATA

Total height of mattress: 22 cm
Core height: 18 cm

CORE

Swiss core with ergonomic pocket spring technology according to SST; shoulder relief with viscoelastic foam and selective Poly-Spring back comfort; sustainable edge reinforcement made of reFoam.

Available in three degrees of hardness

LINING

High-quality, washable Swisswool lining.

MATTRESS DRESS

Double layer DT white (OekoTex) in diamond quilting; Climaborder for optimal ventilation; cover with fine linen piping. The cover can be removed on both sides and replaced if necessary. Washable at up to 60 °C (gentle cycle).

ANTI-ALLERGIC

Also available in an allergy version at no extra charge.

Touchspring IT

With its integrated topper, the Touchspring IT upper bed adjusts particularly gently to the body for an extra-soft surface feeling.

Perfectly integrated

The integrated topper, a riposa invention, provides extra surface comfort. The topper is removable and washable.

Touchspring TEX

The Touchspring TEX upper bed with its sophisticated, upholstered look is a perfect match for riposa Boxspring beds.

Layer principle

The Touchspring TEX upper bed is combined with a loose topper.
