SWISS SLEEP

THE FLOATING BOXSPRING BED WITH LIGHTWEIGHT DESIGN.

# Aurora

# Aurora

The Aurora Boxspring bed features impressively lightweight design and a floating appearance. The simple geometric design appears graceful, indulges the senses and promises a feeling of security for restful nights. Subtle, modernised details bring out the characteristic accents of this riposa classic.

## Lightweight design

The lightweight design creates a modern, abundantly harmonious feeling of space in any bedroom.

## Floating look

The Aurora is invisibly fixed on the wooden «Cube» base and appears to float above the ground.

## Aesthetic & functional

The Aurora bed unit is optionally available in an end-to-end design, with a removable cover and non-slip surface.

## TECHNICAL DATA AURORA

### STRUCTURE

A stable wooden construction forms the base for the bed unit. Top lying comfort with barrel-shaped pocket springs arranged in zones – contained within foam padding and high-quality upholstery covers, developed according to Swiss Sleep Technology (SST) principles. The lightweight design of the bed unit and headboard blend harmoniously with any bedroom.

### «CUBE» BASE / «STILETTO» FOOT

The Aurora Boxspring bed is supported by the black «Cube» base, giving a stunning floating effect. Optionally, the model can also be fitted with the «Stiletto» grey-black metal foot (same price).

### END-TO-END LOOK / ANTI-SLIP SURFACE

The Aurora bed is also optionally available in an end-to-end design, with a removable cover and non-slip surface. Extra charge for bed widths of 90–140 cm: CHF 500.–  
Extra charge for bed widths of 160–200 cm: CHF 750.–

### HEADBOARDS

Two headboard sizes are available for custom bed creation: a classic standard height and a taller «Long» version. The surcharge for the higher headboard is CHF 500.–.

## TECHNICAL DATA AURORA RELAX

### STRUCTURE

Adjustable Boxspring bed with lightweight design and a pocket spring structure. The bed unit is contained in a high-quality upholstery cover. Your favourite positions can be saved via the memory buttons so that you can simply lie back and relax. The substructure is in two parts from 160 cm and can be switched synchronously.

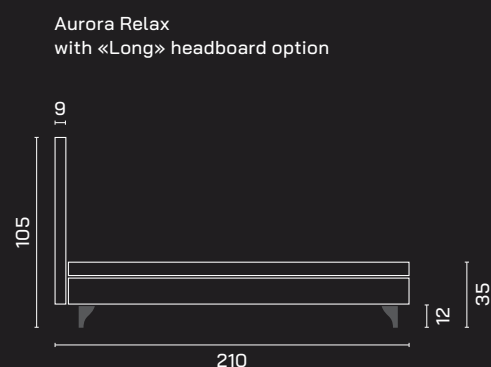

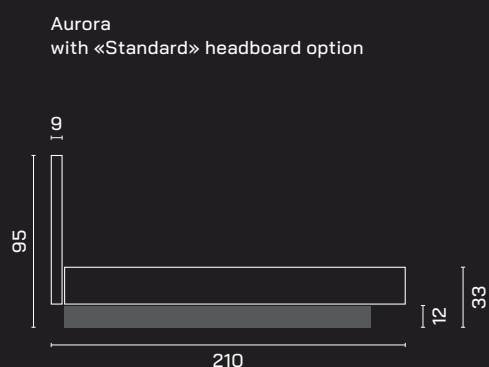

### «STILETTO» FOOT

The «Stiletto» grey-black metal foot emphasises the lightweight design of the «Aurora Relax» model. The «Aurora Relax» cannot be combined with the «Cube» wooden base.

**Note:** The Boxspring beds from riposa are handmade with pure craftsmanship. Minor variations in size are therefore possible.

## Finished size of models 180 × 200 cm

All dimensions are in cm

# Aurora Relax

Automatically adjustable Boxspring bed with lightweight design.

## Relax in comfort

The desired relaxation positions are quick and easy to set at the touch of a button.

### Memory function

Your favourite positions can be saved via the memory buttons so that you can simply lie back and relax.

## Elegant lightness

Relaxation functions are built in, giving the «Aurora Relax» a modern, lightweight and harmonious look.

## For singles or single sleepers

# Studio.

Our Boxspring studio in the Glarus region.

In our Boxspring studio in Oberurnen we produce exclusive Boxspring unique pieces every day – each bed bears the personal signature of an experienced employee. Thus the traditional profession of upholsterer, which had almost disappeared in Switzerland, lives on at riposa. Today we are also training new upholsterers in our studio.

riposa Swiss Sleep is an investment  
in your health – developed with  
experience and innovation,  
manufactured in Switzerland.
