FEATURES

Craftsmanship and the use of high-quality materials: the Carbon Single Flex is a speciality made by riposa that provides unlimited lying comfort for the demanding, modern single sleeper.

Continuous lying comfort for singles or for two people (width of 160 cm)

160 cm x 200 cm in one piece
(The spatial requirements for moving and transport must be observed)

High stability and aesthetic appeal thanks to the combination of sophisticated and high-quality materials (aluminium, carbon, reinforced beechwood spring slats)

Straightforward bed solution in an industrial style (Carbon Single Flex + runners = bed)

Elegance, craftsmanship and continuity

TECHNICAL DETAILS

Swiss high-tech construction in carbon and aluminium, developed according to the principles of Swiss Sleep Technology (SST).

Sleep surface made of reinforced, multi-layered beechwood spring slats, pre-stressed for long-lasting flexibility (15 mm spring slats)

Belt-Spring-Fixation connects and stabilises the beechwood spring slats, for spring support over the entire sleep surface

Middle zone with high-tech fibreglass reinforcement and strap fixation

Optionally with adjustable headrest, adjustable head and footrests or with continuous automatic adjustment

Can easily be converted into a bed with runners and accessories

IMPORTANT DIMENSIONS

Fitted height: 7 cm

Total height: 10 cm

The elegant, stable sleeping solution for an uninterrupted sleep surface.

160 cm × 200 cm of sleep comfort in one piece.

Unlimited lying comfort for the single household of today.

riposa craftsmanship combined with high-quality materials to ensure maximum stability: with the Carbon Single Flex, riposa offers an unlimited sleep surface that represents the ideal sleeping solution for the demanding, modern single sleeper.

System.

The right combination for maximum sleep comfort.

A mattress only develops its full potential when it forms an optimum sleep system with the appropriate base. riposa mattresses and bases can be combined individually and adapted to your personal needs. This means that every detail contributes to anatomically correct lying – for maximum sleep comfort and deep regeneration.

riposa Swiss Sleep is an investment in your health – developed with experience and innovation, manufactured in Switzerland.
