SWISS SLEEP

Day 'n' Night

Day 'n' Night back support mattresses from riposa. For early birds, daydreamers and night owls.
For every back and every lifestyle – 100 % produced in Switzerland. [riposa.ch](https://www.riposa.ch)

Day'Dream

Inspired by the ergonomic sleeping comfort of the classic Grandessa, made with contemporary, sustainable materials.

Back power

Back power thanks to the AirBox-System ABS with Trial-Engineering: Day'Dream guarantees particularly ergonomic lying of the body in any sleeping position.

& 50 % sustainable materials

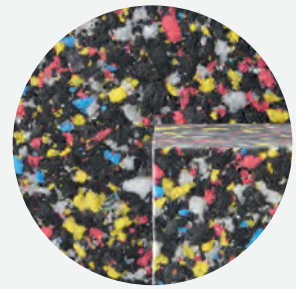

Micro-Sense SMC (Selected Mixed Compound) material innovation: high-quality, new foam sections from our own production are selected and combined to form a new foam mosaic.

TECHNICAL DETAILS DAY'DREAM

Total mattress height: 19 cm
Core height: 16 cm

CORE

Micro-Sense SMC Trial core

The Day'Dream mattress core with Trial-Engineering features the AirBox-System ABS in the lumbar zone. The particularly soft and elastic membrane in the shoulder zone provides optimal shoulder and neck relief. The interaction of the wave surface with the SMC core in the centre rounds off the ergonomic sleeping comfort.

Available in two degrees of hardness.

Active back power

Consisting of the unique AirBox-System ABS with active, thermally tempered springs in fleece pockets and SMC wave boxes.

Micro-Sense SMC material innovation (Selected Mixed Compound)

The Day'Dream mattress core is made of 50 % new Micro Sense SMC. Developed according to Swiss Sleep Technology, this innovation ensures an incomparable body feeling and is sustainable.

Surface comfort

The minimum total height of 19 cm ensures an unforgettable surface comfort experience.

CSV ergonomic principle

The design is based on the CSV (contouring, support, ventilation) ergonomic principle.

LINING

High-quality, washable Swisswool lining.

MATTRESS COVER

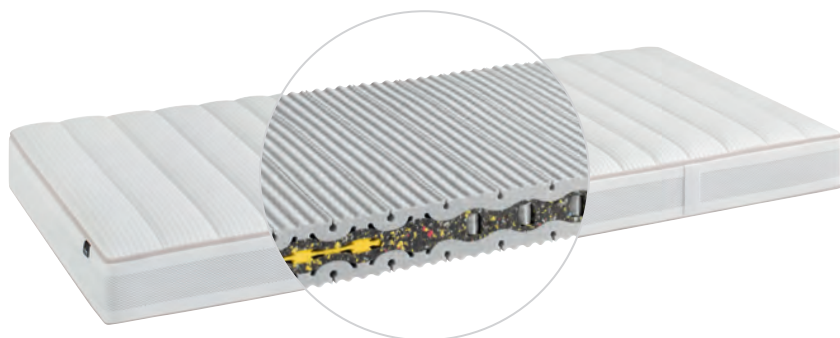

Day'Dream fabric with silk (Oeko-Tex standard 100). The cover can be removed using the 4-sided zip and washed at up to 60 °C (wool wash programme).

ANTI-ALLERGIC

Also available in an allergy version at no extra charge.

Day'Dream Luxe

The Day'Dream Luxe version makes a statement with a mattress cover that is as high quality as it is functional.

Aesthetics

The sophisticated mattress cover with Climaborder is nuanced by a contrasting zip in a trendy look.

& contemporary dimensions

With its low mattress height of 19 cm, Day'Dream is easy to use and versatile whilst guaranteeing smart and sensual sleeping comfort.

Sustainable material innovation SMC.

The core of the Day'Dream back support mattress is made of 50 % sustainable Micro-Sense SMC foam. To make the SMC foam, high-quality, new foam sections are selected from our own production and combined to form a new foam mosaic via a specially developed process.

System.

The right combination for maximum sleep comfort.

A mattress only develops its full potential when it forms an optimum sleep system with the appropriate base. riposa mattresses and bases can be combined individually and adapted to your personal needs. This means that every detail contributes to anatomically correct lying – for maximum sleep comfort and deep regeneration.

riposa Swiss Sleep is an investment in your health – developed with experience and innovation, manufactured in Switzerland.
