SWISS SLEEP

ERGONOMIC FINE TUNING.

Goldspring Topper

Goldspring Topper

The Goldspring Topper ensures a gentle welcome to the body thanks to its softness, climate control and ergonomic three-zone structure.

Softness & ergonomic positioning

The three-zone core of the Goldspring Topper creates an extra-gentle feeling with its profiled viscoelastic surface. The three-zone structure – with a special ventilation system – inside the core ensures ergonomic body positioning and a pleasant bed climate.

Stylish look & removable covers

The «DT-white» topper cover with its diamond quilting, high-quality linen piping and two removable, washable covers is manufactured with the utmost care in the Glarus region. This gives the topper a particularly sophisticated design and smooth lying comfort.
